**Note to parents : Kindly note that the kids are well taken care of, that means that they are not allowed to leave the premises before the end of the class. Bathroom facilities are situated within the class room [en suite]. Should a participant say she/he needs to leave early from the lesson, we call the parent to get permission and if someone is absent, we call the parent to verify. All this to make sure that all those participating, are safe and up to no mischief during the time of the course. We feel that this is a requirement in today's unsafe environment.**
